Welcome to 6th Made in Pakistan Exhibition 2015

Riding on the heading success of Made in Pakistan Exhibition in previous years in many South Asian countries of this region is organizing a 7 days "Made in Pakistan Exhibitors 2015" in Kathmandu, Nepal from 06-12 October 2015, which will be a mega trade exhibition in this country. This exhibition is supported by High Commission of Pakistan in Kathmandu, Nepal.

We are making endeavors to provide a platform to our businessmen to showcase their products and services in Nepal and expand their exports to South Asian Market. This will not only help them to promote their own business, but also give an opportunity to increase wealth and potential of the country's economy. Moreover it will help improve to bilateral relation between the two countries.

The event will serve as a generator of economic growth and development and will help achieve the overall economic development objectives.

We assure our exhibitors and visitors that the management of "Made in Pakistan Exhibitors 2015" will seek to allow attendees to serve them and extend full cooperation in meeting their business objectives.

A Perfect Exhibition for your Quality Product in South Asia

Asia is considered as the fastest growing region in the world with GDP growth in the Asia-Pacific region at an average annual rate of 8.3% and South Asia with annual growth rate of 4.4% as compared to the growth rate of 3.1% in the rest of the world. The real driver of the world economy has been Asia since 2001. Asia has 21% contribution towards the increase of the world GDP.

Nepal is brother country and an active member of SAARC. Ever since trade in Pakistan Exhibition 2012 displaying products/services is necessary to bring the people of Asian country, especially Pakistan and Nepal together under one roof which would help enhancing bilateral trade and relation between the two countries.

Exhibition representing Pakistan's products/services will display full their products at Made in Pakistan Exhibition 2015 to create awareness about their products in South Asia.

Made in Pakistan Exhibition 2015 will be perfect platform for manufacturers & suppliers to showcase their products/services. The Expo will provide an opportunity to agents, distributors, importers, trading companies, wholesalers, retailers, hotels, business representatives, restaurants, of course the consumers and other bulk purchasers throughout Nepal.

The key objective of the Exhibition is definitely to increase Pakistan's exports to other Asian neighboring countries and in order to boost Pakistan's economy.
